MEETINGS AND FORAYS 2019

Indoor Meetings

These are held at 7.30 p.m. (though the time may vary slightly) in the Friends' Meeting House in Woodhouse Lane, Leeds (opposite the University, at the junction between St. Mark's Street and Woodhouse Lane - SE293349. There is a car park behind the Meeting House in St. Mark's Street.) Meetings are, when possible, on the first Thursday of the month. **Please take note of the dates printed here!**

The first indoor meeting of the year will be on **Feb 28th**, when we will discuss our finds and forays last year. The following two Spring meetings will be on **April 4th** and **2nd May**, and the date of our AGM, with refreshments, will, this year, be **May 30th**

There are no indoor meetings in June, July or August.

The first three **Autumn** meetings are on **5th September, 3rd October** and **31st October**. They will be identification sessions, and these are always enjoyable and an opportunity to learn more. Bring along your finds, guide books and magnifying glasses; there are a few electric points if you want to bring a microscope or computer. It can be helpful to bring an extension lead too.

On **5th December** we will have our Midwinter Social. We ask everyone to bring along a small contribution of food or drink (no alcohol, please) and we will discuss our future programme; all suggestions are welcome!

Forays (Outdoor Meetings)

Details in the rest of this leaflet. These all start at 10.30 a.m. unless otherwise stated. **(Note that there are no plans in place at the moment for a Spring Foray - suggestions welcome.)**

Craven Section

The event calendar includes events for the **Craven Section** of MYFG, led by Archie McAdam. These are normally held on the first Wednesday of each month and start at **10.00 AM**. Final plans for Craven Section events are often finalised at fairly short notice: for further details, please contact Archie.
